Pastor Andi's Message

September 2026

It was a routine conversation Hannah and I were having. We were standing in the living room, and halfway through my sentence she interrupted me. Excitedly she said, "Mamma, look—a cat!" as she pointed to our backyard. "Oh my gosh, there is another one!" The conversation was quickly forgotten. We got together some food and water and set it along the tree line in the back of our yard. And we watched to see how many would eat. Final tally: one momma cat and five kittens (five!).

For two weeks, every night, Hannah sat at the tree line, talking to them, playing with them, and hoping to catch them. Somewhere along the line, our nightly visitors dwindled to three kittens. She has named them Spot, Cheddar, and the skittish one (he/she does not yet have a name). They come close, but not too close. If they allow themselves to be rescued—and that is a big "if"—it won't be for some time. And Hannah has left for school. That leaves…me (more on that another time.)

But here's the thing: it would be in those kittens' best interest to be caught. They may not be excited about everything that comes with being a tame rather than feral cat—think spay/neuter—but at the end of the day, that is in their best interest, too.

Being feral and on their own is all they know. And they are really, really good at being afraid. If they were to overcome that fear, they would have ample food and water, a warm bed, treats galore, and way too many toys. It is fear that keeps them from living the good life! I understand the fear. Those big, scary humans might try to hurt them. Their fear makes sense. But giving in to that fear is keeping those big, scary humans from loving them, protecting them, and tending to their every need.

Like those cute little kitties, fear can keep us from truly living our best life. The fears we carry make sense, just as a kitten's fear of people makes sense. But fear doesn't tell us the whole story.

Fear tells us enough to keep us unbalanced, lacking confidence, and, often, more controllable. It focuses our attention on what might go wrong instead of what might be possible.

Do you have a fear that is holding you back and keeping you down?

Pastor Andi's Message

Continued from previous page....

Fear of failing keeps us from trying. Fear of getting hurt keeps us from fully loving and being loved. Fear of what we don't understand keeps us from offering the extravagant welcome our God has shown us.

Fear may have a reason for being there. But that doesn't mean we have to let it have the final word.

So friends, as we travel into our tomorrows, don't be afraid. Don't be reckless either—you are too smart for that! But see your fears for what they are: controlling little stinkers that only tell us part of the story.

Turn away from those lies and keep your eyes on Jesus. When fear says, "You can't," listen instead for the words of faith and hope. When fear tells you to stay where you are, remember that you do not face tomorrow alone.

Paul reminds us, "I can do all things through Christ who strengthens me." Those words aren't a promise that Christ will give us everything we want or make every challenge disappear. They are a reminder that whatever we face, we can face it with Christ's strength.

So don't let fear write the whole story.

Trust the One who sees the whole story.

Keep your eyes on Jesus, take the next faithful step, and trust that the God who calls you forward will also give you the strength to go. Amen.

Food Pantry Update…

September 2026

During the month of July 86 families were served at our pantry. 163 adults and 115 children received food. 12 families were new to our pantry. Thank you to everyone who continues to bring in food to help support the pantry.

Thank you to our dedicated volunteers. Thank you to **Henry Caron, Gail Hable, Jody Schaick, Peter Smith, Sherry Peppler, Sandy Folske, Carol Wiechman, Rick Peppler, Ray Hitz, Deb Kraemer, Lisa Smith, Kim Winter, Meg Hable, Brad Schultz, Jim Schaick, Mike Winter and Dan Monroe.** Without their commitment to the food pantry we wouldn't be able keep this very important mission of Emmanuel going. ***Please prayerfully consider volunteering to help in the food pantry. We could really use some extra hands!! We need help with the distribution of food on Tuesday, Wednesday and Friday mornings. If you want to know more about it, please talk to Henry Caron or call the church office.***

Thank you to **Red's Piggly Wiggly, Festival Foods, Silver Creek Meats and Craig Geiger and 4Imprint** for their continued support of our pantry.

*After decades of service in our food pantry, **Gail Hable** has decided to retire. Our food pantry started out as one or two rooms in the basement by the choir room. Gail and his wife Meg, helped our pantry grow to include all of the rooms in that section of the basement. They spent countless hours driving to pick up food in Omro, Little Chute and Fond du Lac. He was influential in setting us up to receive food with the government commodities. Many hours were dedicated to meetings and community events to help our pantry grow with the resources that are available. Shelves and ramps were built with his help. The food pantry has been a passion of Gail's. We can't thank you enough Gail for all that you have done to make the pantry an important mission of Emmanuel. Happy Retirement!!*

Sunday School Scoop...

🧡 **Welcome to a New Sunday School Year!**
A new year of Sunday School is here, and we're kicking it off with an important reminder: **we are better together!**

God never intended for us to walk through life alone. When we gather together, learn together, pray together, encourage one another, and grow in faith together, we become stronger in our walk with Jesus.

Our theme for the year is **Better Together**, and John 1:12 gives us the perfect starting point. When we believe in Jesus, we become **children of God**. That means we are part of something bigger than ourselves—we are part of God's family!

👨‍👩‍👧‍👦 **We Are Family**
Being part of God's family means we have people around us who can help us grow. Sometimes we need encouragement. Sometimes we need someone to pray with us. Sometimes we simply need a friend who reminds us that we're not alone.

That's what Sunday School is all about! This year, let's make our classroom a place where everyone feels **welcomed, loved, included, and encouraged**. Every person has something special to contribute, and together we can make our Sunday School family stronger.

🤝 **Better Together Challenge**

This month, look for someone who may need a little encouragement.

Invite. Include. Encourage. Pray.

Invite someone to sit with you.
Include someone who may feel left out.
Encourage someone with kind words.
Pray for your Sunday School friends.

You never know how one small act of kindness can make someone feel like they belong. We may all be different, but God has brought us together for a reason. When we use our gifts, share our joy, help one another, and keep Jesus at the center, we truly are **better together!**

Church Council Meeting August 11, 2026
Meeting called to order at 6:28 p.m. by Leanne. Opening prayer by Pastor Andi.

President's Report: EAA parking went well. We made a total of $34,816, which was $4,810 more than last year. After Jeff's cut, we totaled $23,209 in profit, which was $3,455 more than last year. Discussion on counting offering money. The plan is to have rotating volunteers exclusively from council to go in and help Lori count the money, with the day not specifically being Monday if nobody is available. Council received a letter from Mary, asking about greeters. Council concurred that finding volunteers is hard, so the goal will be to put something in the newsletter and see if anyone is interested in greeting.

Secretary's Report: Minutes accepted after correction of a few typos.

Treasurer's Report: Reviewed June financial reports. We had a negative cash flow of -$10,207.93 with a negative YTD of -$5,696.67. Alliant Energy stock was +$5.33 in July. Majority Expenses for this month were Payroll taxes for 2nd quarter, WPS, Andi's Health Ins/Pension and Kevin Dehne (Bell Tower materials). Reviewed July financial reports. We had a positive cash flow of $26,864.83 with a positive YTD of $21,168.16. Alliant Energy stock was -$5.01 this month. Majority Expenses for this month were Payroll taxes for 2nd quarter, WPS, Guide One (Insurance) and Andi's Health Ins/Pension. Treasurer's Report accepted.

Pastor's Report: General: I have participated in a few Zoom calls in regard to the tornado response. I will be offering to provide counseling, if needed. We had a great response to the Back-to-School fair, both with the tree tags and the personal hygiene items. Last Month: I officiated at Jim Wilson's funeral on June 18 and Jeanette Felker's funeral June 25. EUCC facilities were used for the funeral of Gloria Hughes on July 17. This Month: Lori is on vacation the week of August 24. Be aware that the office will not be open from 8:00-noon in her absence. I was a part of the group that walked in the Children's Parade on August 1. Thanks to all who joined in and offered support. Celebrated the Sacrament of Baptism for Indie Yoder, daughter of Reed and Mara Yoder on August 2.

Vice President's Report: Dan has decided to step into the president's position and has connected with some members about the opening trustee and vice president positions.

Trustee's Report: Tower louvers were painted; the next steps are getting them up into the tower and mounted. The parking lot has been striped! Jim is going to do some weed whacking and respray the weeds.

Church Council Meeting August 11, 2026
Continued on next page....

Old Business: Rene and Leanne went through all the red choir robes and white stoles - 33 robes and 30 stoles. They are dirty, and we are requesting funds from the M&E for dry cleaning, with the quote being $33.79/robe and $15.56/stole. A motion to request $2,000 for cleaning fees for the robes from the M&E was approved. There's an old TV in the choir room, which Jim has volunteered to dispose of. Pastor Gaskill has some old robes and stoles found, which Andi is going to ask around to see if anyone is in need of them. Small plastic chairs for the nursery are taking up a lot of space, and we aren't using them. Jim plans to put them on marketplace and see if anyone could use them.

New Business: The M&E committee met, and the council reviewed their minutes and fund requests. Earl made a motion for the council approved the funds as requested. The items are: T-shirts, water bottles, stickers and birthday books for Sunday School; 55" TV/Wall Mount for the Nursery; Digital Smart Board for confirmation/Sunday School; white board (dry erase board) w/; case of Bibles for 4th grade student gift bibles; 4 Labyrinth Bricks; 75" TV for the balcony; iPad for Pastor Andi (her current one will be used by the Sunday School). Fall fundraisers: Vandewalle candy bars--order 600 candy bars to start selling in October on Sunday School weeks, with them being available other weeks if asked about as some council members will have access to the closet they're stored in and can grab them. Looking into another Culver's fundraiser! The fellowship committee has been started and is meeting soon, so if they come up with any more ideas we'll discuss them at the next meeting. There have been some issues with Lori being able to access everything with Associated Bank. Andi has a meeting with Associated. Starting September, Lisa Smith will start a schedule to start selling Raise Right cards exclusively after the service.

Good & Welfare: Next meeting is on September 8th, 2026, at 6:30 p.m.

Greeters are needed…

We all appreciate a warm welcome on Sunday morning. For people visiting, it is especially important. Being greeted and having someone answer a question or two can be the difference between a one-time visitor and a new member. Scheduled Greeters was one of the things that didn't survive Covid-but we hope to resurrect it! Please consider being a Greeter. If you are interested, contact the church office.

As pre-worship time gets increasingly hectic, a reminder that if you have a prayer concern that is very important for you to share, please write it down and give it to Pastor Andi at least 10 minutes before worship begins, or place it on the pulpit. Thank you!

If you would like to have an article published in our monthly Lamplighter, we ask that you have your article submitted no later than the 15th of the month. Your article can be emailed to Lori at lori.holland@emmanueloshkosh.org, or you can drop it off any weekday morning, or give the office a call 920-235-8340. We would be happy to pass along the information you would like to share.

We are still collecting metal tabs from beverage cans for the Ronald McDonald House in Wisconsin. You can bring them in and drop them off in the office or in the little white church in the upper narthex. Thank you to **EARL & LAURIE DORST** for picking up and delivering these to St. Paul.

Elections for the 2027 Council will be taking place in October.
Positions available are: Vice President & Trustee

If you have any questions about the positions and would consider running, please contact one of the current council members. Thank you!
